

# PASS BILL FOR EXEMPTION OF TOLLS

## BORAH MEASURE IS DESIGNED TO FAVOR AMERICAN VESSELS

Would Give Exemption to Vessels in Coastwise Trade—Lodge and McCormick Fear That it Will Offend Conferees in Disarmament Discussion—May Settle Dispute

(By The Associated Press)  
WASHINGTON, Oct. 10.—The Borah bill for tolls exemption of American coastwise vessels passing thru the Panama canal was passed by the senate today 47 to 37. The measure now goes to the house where it is expected it will be subject to indefinite delay in consideration at least until after the conference on limitation of armaments. Before proceeding to a final vote the senate rejected without a roll call two substitutes offered by Senator King, Democrat, Utah, to authorize the president to negotiate for arbitration of the tolls question and to appropriate \$2,000,000 as a subsidy for American vessels using the canal. Debate on the Borah proposal disclosed a split in party ranks, opponents declaring the bill was inopportune while Senator Borah, Republican, Idaho, declared he had talked with President Harding and Secretary Hughes and they did not share such views.

## "BABE" RUTH LAYS DOWN BUNT WHICH HELPS BEAT GIANTS

Surprises Opposition  
and Scores Winning Run

(By The Associated Press)  
NEW YORK, Oct. 10.—A bunt in a baseball game doesn't hold a candle to a home run as a spectacular feat, but a little bunt which "Babe" Ruth laid down on the grass at the Polo Grounds today showed how much importance some times attaches to the less sensational performance. The "Babe's" home run in the ninth inning of Sunday's game was just one more run and nothing more. His bunt in the fourth inning of today's game, the fifth in the 1921 world series, proved the turning point of the contest. The Yankees won by the American League score of 3 to 1 over their National League opponents. The victory again gave the Yankees the edge in the series, which now stands:

Team	Won	Lost
New York Yankees	3	2
New York Nationals	2	3

Waite Hoyt, the boy wonder from Brooklyn, pitched the Yankees to their third victory in the series, his potent right arm being aided by some great defensive work on the part of his teammates in holding the Giants' scoring propensities to a minimum. He had been scored upon in the first inning, an error by McNally paying the way to the Giants' only tally, but the Yankees tied the score in the third when Mike McNally was passed by Art Nehf, the Giants' crack left-hander, went to third on Wally Schang's double and came home on Elmer Miller's sacrifice fly.

St. Louis Springs Surprise.  
To start the fourth for the Yankees, Ruth, who had struck out his first time up, did the unexpected and laid down a bunt. The Giant infield was taken completely by surprise and Ruth landed safely on first. The way had been opened for a tally and Ruth scored it a moment later on "Bob" Meusel's double to left.

This ultimately proved to be the winning run for the Yankees, but another was speedily added when Meusel scored on Ward's sacrifice fly. That ended the scoring for the day. Hoyt, who had seemed a bit unsteady the early innings, settled down behind his two-run lead and pitched a heady game, which had the big guns in the Giants guessing when safe blowers were necessary to put runs across. The youthful Yankee twirler was hit more freely than in his shutout game of last Thursday but he would have had another scoreless game to his credit with a little better luck in the first inning. ## CONFERENCE TO BEGIN TODAY ON IRISH QUESTION

Irish Delegates Meet  
British Today in  
London

(By The Associated Press)  
LONDON, Oct. 10.—The prime minister and other representatives of the British government and the delegates of the Dail Eireann will face each other across the conference table in the cabinet room at No. 16 Downing street, the premier's official residence, at 11 o'clock tomorrow morning. The program for the first day takes the form of open conversation with a view to arriving at some definite basis, upon which negotiations looking to an Irish settlement can proceed.

Either side may, however, raise some controversial subject. There is the question of the release of the interned men, which many people in Ireland are urging on their delegates. One of the delegates said today that it was not the intention to mention this subject for the present. Nevertheless the government is preparing a reply to such a request.

The question of the stricter enforcement of the truce and the lifting of the Sinn Fein boycott on English goods, which has been hurtful to British trade and has caused much irritation here, also may be brought.

### May Extend Scope

The cabinet is said to have discussed today the possibility of extending the scope of the conference and inviting Ulster to send delegates. This is a matter for the prime minister to decide as the Sinn Fein delegates are here only as the spokesmen of those they represent and the premier might invite Sir James Craig, the Ulster premier, and even Lord Middleton, representative of the south of Ireland Unionists and Sir Horace Plunkett, dominion home ruler and their friends.

But the Sinn Fein has not assented to any joint conference and it is declared would object strongly to forming one on a three or four party conference. The Irish delegates would, however, they say, make great concessions to secure a united Ireland, a possibility alluded to in the king's speech at Belfast. Mr. DeValera is believed to have a plan of local self-government for Ulster within an Irish state, more attractive financially and otherwise to the northeast than its present status, and it is probable that this will be put forward at the conference.

Should this be the case, the Ulster premier may have to be consulted about it.

### STALEYS WIN FROM ROCK ISLAND INDEES

Decatur, Ill., Oct. 10.—The Staley football team today defeated the Rock Island Independents by a score of 14 to 10. Conzelmann put over a drop kick for Rock Island in the second quarter. Huffine, Staley fullback, carried the ball over the line in the third quarter and Halas took a forward pass from Harley in the fourth quarter for a touchdown. Sternaman kicked both goals. Hays made Rock Island's touchdown in the fourth quarter.

Six thousand persons, many of them legionnaires attending the state convention, saw the game.

### GOVERNMENT TAKES OVER BREWERY

CHICAGO, Oct. 10.—Acting on instructions from Washington the Mutual Brewery company of Chicago, was seized today by federal prohibition directors.

### FORMER MISSOURI JUSTICE IS DEAD

ST. LOUIS, Oct. 10.—William C. Marshall, 72 years old, former judge of the Missouri supreme court, died today from heart trouble.

He would advocate regulation of a tolls subsidy by the interstate commerce commission or some other tribunal.

## COMPROMISE TAX REVISION IS APPROVED

Senate Finance Committee Makes Majority Report

(By The Associated Press)  
WASHINGTON, Oct. 10.—The Republican compromise tax revision program was approved today by a majority of the Republican members of the senate finance committee. Reports from the committee room were that the vote was five to four, with one opponent Senator McLean of Connecticut absent.

The first test vote on the compromise, which was an outgrowth of a threatened revolt against the original bill by Republican senators in the agricultural bloc was said to have been five to four against. This vote was taken Saturday and those listed in opposition were Chairman Penrose and Senators McCumber of North Dakota; Smoot of Utah, McLean and Dillingham of Vermont.

### Senator Calder of New York Was Absent

Chairman Penrose was reported to have cast the deciding vote for the program today, with Senator Calder voting with the opposition. Senator Penrose will report the amendments to the senate as a majority proposal and he predicted today they would command practically the united support of the Republicans. It is understood, however, that some of the committee members opposing them will continue their fight on the floor and will be supported by a number of senators from the eastern states.

Differences among the Republican committee members were reported to have been one reason for the abandonment of a plan, discussed Saturday to call in the Democratic members of the committee with a view to having the amendments reported out by vote of the entire membership.

### Approved Amendments

After disposing of the compromise program, the Republicans made some further revisions in the bill. The approved amendments as officially described today, would provide for:

A graduated increase from the house income surtax maximum of 32 per cent on \$66,000 to a maximum of fifty per cent on \$200,000, effective next January 1.

Repeal of the tax on freight, passenger, Pullman, oil pipe line, express and parcel post transportation, also effective next January first.

A graduated increase in estate rates from the existing maximum of 25 per cent on \$25,000,000 to a maximum of 50 per cent on \$100,000,000, also effective next January first.

Retention of the corporation capital stock tax of one dollar on each \$1,000, of capital in excess of \$5,000.

Repeal of the \$2,000 exemption allowed corporations except where the net income is less than \$25,000, effective next January 1.

### Cheaper Medicinal Liquor

A flat rate of \$6.40 a gallon on distilled spirits but with a provision for a rebate of \$4.20 a gallon where it can be shown to the satisfaction of the commissioner of internal revenue that the spirits are used for industrial or medicinal purposes.

Repeal of the excise taxes on sporting goods, furs, chewing gum, electric fans, thermos bottles, smoking and hunting equipment, toilet soaps and powders, perfumes and cosmetics.

Repeal of the five per cent tax on the licensing or leasing of motion picture films.

Retention of the house proposals for a flat tax of three per cent on candy with elimination of a ten per cent tax on candy selling at wholesale for more than forty cents a pound.

Retention of the house provision for a reduction from ten per cent to five per cent in the tax on works of art. Elimination of the senate committee provisions for taxes on photographic apparatus and accessories, hotel rooms in excess of certain prices and office furniture made of imported hard woods. These were the only new taxes proposed by the senate committee.

### LOSES VALUABLE DOG

A valuable ball dog belonging to W. R. Anderson of 311 East College avenue was poisoned last week by some unknown party. Mr. Anderson valued the dog at \$150 and naturally feels very badly to have lost him.

## DAYTON ATTORNEY FOUND SLAIN IN OFFICE MONDAY

Neck Broken and Knife Driven Into Dead Man's Heart

(By The Associated Press)  
DAYTON, O., Oct. 9.—Lucien Soward, prominent Dayton attorney, was mysteriously attacked and murdered in his office here shortly after noon today.

His body, with the neck broken and the eyes blackened, was found in a pool of blood in one of his offices, in one of the downtown office buildings.

A knife was sticking in his body and had pierced his heart. The office was in great confusion and money was scattered all over the floor. The police found no clue as to the possible murderer or murderers.

Occupants of a hairdressing establishment in the next office told the police they had heard loud talking in Soward's office some time before the body was found. They told the police they had heard the voices of a woman and man.

Mr. Soward was about forty years of age. He owned a large home in Oakwood, a fashionable residence district.

## COUNTY TO TRY GOVERNOR SMALL IS AGREED UPON

Executive's Counsel  
Makes Announcement  
Monday Night

(By The Associated Press)  
SPRINGFIELD, Ill., Oct. 10. Counsel for Governor Small announced late tonight that they had accepted one of the counties which State's Attorney Mortimer suggested as a place in which to try the governor on charges of embezzlement of state funds. The decision to accept the Mortimer offer came after a long conference between Governor Small and his lawyers. Until they could reach the state's attorney, the governor's lawyers declined to announce which county had been accepted.

Final settlement of the question of venue in the Small case will be settled in Judge Barton's court tomorrow. It was indicated tonight, following the announcement by Governor Small's counsel that they had accepted one of the counties suggested by State's Attorney Mortimer.

Arguments on the governor's petition for a change of venue are set for 10 a. m.

Announcement in open court that the prosecution and defense have reached an agreement is expected to result in an order by Judge Barton in accordance with the agreement.

"We may be at trial in a few weeks," said Werner W. Schroeder, one of the governor's attorneys.

Efforts to locate State's Attorney Mortimer up to a late hour tonight were fruitless. It was said the list from which the governor and his counsel made their selection consisted of McLean, Menard, Lake, Lee and DeKalb.

### SIGMA PI MET

MONDAY EVENING  
The Sigma Pi Literary Society of the Illinois College met last night in Beecher Hall. The following program was given:

Declamers, Green, "Catching a Buffalo"; Smith, "Tymp."

Readers, Mellon, "The Runaway"; Wright, "The Hazing of Valiant."

Essayists, Antrobus, "The Loyalty of the Home"; Cully, "The Pretense."

Shipley, Brown and Peters extemporized on "The Disarmament Conference."

The debate followed on the question, "Resolved, That Ireland Should Be Given Her Freedom."

The affirmative was upheld by Fiedling and Wilson, the negative by Freire and Weber. The decision went to the affirmative and the merits to the negative.

### VISITOR FROM LOS ANGELES

Clarence Ratliff of Los Angeles, Calif., is back among his early friends and visiting his mother, Mrs. Hannah Ratliff on N. Main street. He saved over two thousand house building permits were issued in one month recently in his city and that is nothing unusual. He predicts that in ten years the city will rival Chicago in size of population.

## COMPLETE PLANS TO CARE FOR THE COUNTRY'S IDLE

Conference Reports it  
Has Worked Out  
General Policy

(By The Associated Press)  
WASHINGTON, Oct. 10.—Recommendations for a general policy for the permanent relief of the country's unemployment problem and the return of commerce and business to normal were practically completed tonight by the sub-committees of the national conference on unemployment.

Finishing touches are to be put on the suggestions tomorrow morning and in the afternoon a general report is to be submitted to the conference in open session upon its reconvening after a recess of more than a week. This report is expected to embody the more important remedies suggested by the various committees from their studies of the economic ailments of the nation and are said to be comprehensive in their scope.

Hearings on government reclamation work as a means of aiding in the unemployment situation were held today by the committee on public works.

Preferment for ex-service men in employment was urged by Richard C. Jones, junior vice commander of the Veterans of Foreign Wars, who declared these men had been otherwise engaged in time of prosperity and were unable to save for the rainy day. He asserted that former service men would accept employment on reclamation projects, were not afraid of hard work and that many of them would settle on the land reclaimed.

Ottomar Hamerle, acting director of the reclamation service, told the committee that \$16,000,000 could be spent economically during the winter on irrigation projects which would give employment to 16,000 men directly and that, if a loan to the reclamation fund was authorized by congress an additional \$25,000,000 could be immediately expended on the Boulder Canyon Dam, California All-American Canal, and the Arizona Parker and San Carlos projects.

## DEMOCRATS ARE STILL STANDING FOR THE LEAGUE

Believes Democracy Will  
Stage Comeback  
Next Time

(By The Associated Press)  
DAYTON, O., Oct. 10.—"The Democratic party stands inflexibly as when the polls closed last November for the league of nations, with the United States as a co-operative part of it," Former Governor James M. Cox, Democratic presidential candidate last fall, declared in a message sent to the Democratic club of Southern California, banqueting tonight at Los Angeles.

"History will record the abandonment of our allies as an unworthy episode," the message continued. "It would have been no worse if our troops had been withdrawn from France on the morning of the battle of Chateau Thierry."

The message follows: "It is infinitely better to maintain a vital principle even though it involve a temporary setback, than it is to surrender honor to expediency for the mere purpose of winning an election. The spectacle of regarding the Hay-Pauncefote treaty as a scrap of paper, just as we begin conference with a group of nations on disarmament is a sad commentary on the behavior of a country whose life and traditions have been above reproach. Apparently the national administration is guided in its non-descript policies by the un-American elements that made this election possible."

"We are not a renegade nation and we will not for long permit ourselves to appear to others. Good faith in our relations will endure as a private and a national virtue. When sober reflection brings proper understanding to our pathetic status in world affairs, vindication of the democracy will be expressed in no misleading terms."

### BIG BLAZE MARKS FIRE PREVENTION WEEK

Chicago, Oct. 10.—The first big blaze of Chicago's prevention week occurred tonight when flames swept thru the Stock Yard and Transit company's warehouse consuming 500 car loads of baled hay. The loss is estimated at half a million dollars.

## SCORE INJURED WHEN GRAND STAND FALLS AT LEGION PARADE

Two Women Suffer Broken Ankles; One Has  
Foot Crushed—Accident Occurs Just Before  
the Parade Starts—McCauley May Be  
Elected on First Ballot for Commander

(By The Associated Press)  
DECATUR, Ill., Oct. 10.—Three women suffered broken bones and a score or more persons were less severely injured when a section of a temporary grand stand gave way just before the start of the American Legion parade here today. Mrs. S. G. Brecount of Springfield is in a hospital with her left foot crushed and Mrs. Herbert Clark of Elgin and Mrs. Minnie Bigelow of Salem have broken ankles as a result of the accident.

Fifteen hundred delegates and alternates of the Illinois department are in Decatur for the annual convention together with three thousand other ex-service men and visitors. The parade and a football game between the Rock Island and Staley teams were the features of the afternoon.

State Commander William R. McCauley will lose his fight for re-election if the vote goes to more than one counting, was the opinion expressed this evening by half a dozen legionnaires familiar with organization politics. They also predicted that Colonel Horatio B. Hackett of Chicago would win if McCauley is defeated.

Tonight it seemed that McCauley's re-election on the first ballot was probable.

McCauley's Report  
Commander McCauley in his report at the opening session reviewed his work and summed up the report and recommendations in saying:

"Let this be the legion's message: 'To the public—hire the soldier. He may have been restless at one time, but he is steady now. To municipalities—start now public works which you may have planned to put off until spring. To the soldier—don't float around, tie yourself down to a community and stick to your job, when you get one.'"

The parade at 7 o'clock was the most pretentious ever attempted by the state legion including more than a score of bands, led by the University of Illinois band. There were hundreds in uniform and hundreds more in civilian clothes.

Major General William George Hays; Rear Admiral C. B. T. Moore, U. S. navy, retired; Commanders Emery and McCauley received the salutes.

General George Bell, Jr., and staff and others were in the reviewing stand.

### IS HELD ON FORGERY CHARGE

Oscar Gray, 20, a colored youth of this city, is under arrest on the charge of forgery. It is alleged that he signed the name of Carl West to a check. Had he succeeded in cashing it he would have secured \$66.75.

The story is that Gray offered a small boy a dollar to cash the check and the unsuspecting boy went to the bank. There he was questioned and described the person who had hired him to cash the check. This led to Gray's arrest. The police say that he has admitted forging the check.

### NEW CHAIRS FOR HIGH SCHOOL ARRIVE

Another load of chairs arrived at the high school yesterday and are being installed in the East study hall. The desks and chairs for the west study hall have already been received and this means that both study halls are now ready for regular routine use.

### SURPRISE PARTY IS GIVEN NEAR FRANKLIN

A number of relatives and friends of Mrs. A. L. Lukeman gave her a very pleasant surprise Monday evening by going unannounced to her home north of Franklin. The occasion was in honor of Mrs. Lukeman's birthday and guests numbered thirty-five. Several hours were spent playing rook and in the course of the evening delightful refreshments were served. When the guests departed it was with the hope that Mrs. Lukeman may have many more such anniversaries.

The rich New Yorker who had \$100,000 worth of wines and liquors stolen from his cellar will not have much sympathy unless someone from his friends, who were expecting to enjoy libations with him.

The city council last night approved a new addition in the south part of Jacksonville. It is

Pine Place and twenty building lots are there available. There is an interesting indication of better times ahead in the fact that Mr. Pine already has applications for three or four of these lots from people who intend to build homes, the coming year.

A milk ordinance has been introduced in the city council. There is a demand for some such ordinance and physicians and public health officers today recognize how important is the relationship between the milk supply and public health. Every time there is an epidemic suspicion is cast upon the milk supply. It will be a satisfactory condition if the time comes when the city can know the facts about the milk that is dispensed to its citizens, and has the means at hand for making certain that the supply is at all times pure.

It's too bad, but at the fiftieth anniversary of the Chicago fire, the legend of the cause has been exploded. All through the years there has been the familiar story that, while Mrs. O'Leary was en-

gaged in the homely task of milking her cow after darkness had fallen, that the cow kicked over the lantern which set fire to the hay and later spread, causing millions of property damage.

Now witnesses have been produced to swear that Mrs. O'Leary's cow was not at all to blame. They say that five men, who indulged in a drunken revel, crawled into Mrs. O'Leary's hay loft to sleep and that sparks from their pipes caused the conflagration. So, after all, it was booze and not milk that brought about the Chicago fire, and the city has lost one of its chiefest legends.

A utility news bureau says that the development of the telephone has resulted in the placing of wires which would span the distance from the earth to the moon more than one hundred times. The further fact is given that there are pole lines erected which would reach nearly fifteen times around the world.

Now these statements have their interest, but what the people are most concerned about in regard to the telephone and other utilities is price and service. The latter is by far the most important, for in the long run, it is service that counts. When service is efficient and high class, the people are usually willing to pay what it costs to give such service.

Mr. Cushing, president of the National Coal association, in an address yesterday compared present times with those after the War of the Rebellion. Then, he said, relief came by the development of new areas with the expansion of the railroads. It is not possible to do that now and Mr. Cushing points out that in place of such a program there must come intensive development of the resources already at hand. The suggestion may not be new, but it is one of the most practical out of many, made with reference to the present situation.

Intensive operation is but another way of expressing the need for making the most of the facilities at hand. Such a course requires a willingness to work and the intelligent use of time and material from the economy standpoint. When people are earnestly willing to do this, there will be little trouble about emerging from present day difficulties.

RALLY EXERCISES  
HELD SUNDAY AT  
GRACE METHODIST

Several Classes of Sunday School Report 100 Per Cent Attendance. Epworth League Elects Officers.

Sunday was a great day in Grace Sunday school. It was Rally Day, and a great effort was made to get out the enrollment of the school. Many classes reported a 100 per cent attendance. There were over 100 in attendance in the student class taught by Mrs. Lambert and one hundred and fifty in the young people's department.

Mrs. J. Bart Johnson sang a solo to the delight of the school. Or. drain Fox in a very impressive manner told the story of sixteen year old Ira Cunningham who lost his life in rescuing two small boys in a stream of melting ice. Miss Christine Cotner of the Woman's college played a violin solo in a masterly manner, pleasing the school greatly. There were in attendance 400 and the offering amounted to \$17.97.

The pastor preached strong sermons both morning and evening. The music was especially pleasing. Junior league met at 2:30 with Miss Agnes Davis leader.

The Epworth league service at 6:30 Miss Leta Groves was the leader. Several new members were received. A large crowd of young people were in attendance. The annual election of officers of the league followed the regular service. The new officers are as follows: President, J. Lloyd Read, first vice president, Anna Rexroat; second vice president, Grace Rexroat; third vice president, Irene Groves; fourth vice president, Lucille Straight; secretary, Samuel Osborne; treasurer, Harold C. Hopper. The league work is opening up with unusual interest and enthusiasm and promises to be a year of profit and service.

Monday evening the regular monthly meeting of the official board will be held. The members with their wives will assemble at 8 o'clock and enjoy a luncheon together followed by the business session. The heads of the various organizations of the church and their husbands or wives as the case may be invited.

**A TRIBUTE TO DR. McCARTY**  
Just before Dr. F. A. McCarty left Quincy after a four years pastorate one of his flock penned the following lines indicative of the regard in which he is held. The lines appeared in a Quincy paper.

F. A. McCarty, (Brother Mac)  
We're sorry you're not coming back.  
While those four years were slipping past  
Our cords of love kept twining fast.  
Till now, a tear bedims our eye...  
When we attempt to say good-bye  
Our hearts are sad—but all the same  
We'll tell you this—we're glad you came.

Four blessed years, how they have flown.  
More fleet than any we have known—  
Yet they've been fraught with blessings rare,  
And you have brought us your full share.  
You've fed us on the bread of life,  
Pronounced our youngsters "man and wife"  
You've shared our griefs and joys the same,  
And "Man, oh Man!" We're glad you came.

We like your spirit and your smile,  
We hope you'll keep them all the while.  
We think you're great—but you should be  
With such a splendid family.  
Oh, well, good-bye! Come back old scout.  
You'll find our latch-string hanging out.  
We're sorry—yes—but all the same,  
We'll tell the world, we're glad you came.

—The Quincy Flock.

**WHITE HALL BASE BALL TEAM DEFEATED SUNDAY**  
White Hall, Oct. 10.—Shapleigh Hardware company's base ball of St. Louis defeated White Hall in a well-played game at the local American Legion park Sunday, score 5 to 4. Kerr pitched a great game and held the locals hitless until the seventh inning.

Lefty Hicks started on the mound for White Hall but was replaced in the fourth inning by Big John Wright, after three runs had been scored.

The Shapleighs made nine hits, three off Hicks and six off Wright. Wright struckout six men and Hicks struckout three men.

Watkins' catch of Orr's long fly in the ninth inning saved the game for the Shapleighs. White Hall had two men on base when Watkins was forced back to the fence, catching the ball on the run.

A good attendance was recorded at the game which was the last of the season for White Hall. The victory enabled the Shapleighs to even up the two game series. White Hall having won over them last Sunday, 6 to 1.

**MYERS BROS. BUY SPRINGFIELD SITE**  
The Springfield Journal yesterday carried announcement of the purchase by Myers Bros. of the site of their building at the corner of Fifth and Washington streets. Julius Myers of the firm in an interview for publication said that the purchase represented the consummation of negotiations that were begun more than 21 years ago. At that time the firm erected the building and leased the ground. A little more than a year ago at the expiration of the lease negotiations were resumed for the purchase of the land, but an agreement was not reached until last week.

The location is one of the finest in Springfield and there the firm of Myers Bros. has thru a long period conducted an extensive and successful business. Prior to locating on this site the store was in the center of the block instead of on the corner. The price paid for the lot was not made public but it is known to have been a high figure.

BLACKBURN FUNERAL  
HELD AT MANCHESTER

Funeral of Well Known Resident Held Monday afternoon at Baptist Church—Other Manchester News.

Manchester, Oct. 10.—Funeral services for the late Frank Blackburn were held at 2 o'clock Monday afternoon at the Baptist church, in charge of Rev. N. M. Antrobus of Manchester. The church was completely filled with relatives and friends of the deceased, who had spent so many years in the community.

Music for the occasion was furnished by a quartet composed of Mrs. J. H. Langdon, Mrs. George Cooper, E. L. Maine and M. W. Story, with Mrs. Ethel Rousey at the piano.

There was a great profusion of beautiful flowers and these were in charge of nieces of the deceased, Mrs. Lonnis Day, Mrs. Frank Day, Mrs. William Bacon, Misses Leta Day, Nellie Duncan and Ruth Blackburn.

Interment was in the Manchester cemetery, the pallbearers being Charles Thady, Charles Wood, Carl Brown, Carey Simmons, George Hayes and Clayton Hudson.

**News Notes.**  
Mrs. Henry Hudson and son, Wayne, are both ill with scarlet fever. The cases are not especially severe and it is hoped that the disease will not become epidemic in the neighborhood.

Mr. and Mrs. F. C. Larkin went to Berdan Sunday afternoon to attend the funeral of Miss Fannie Pinkerton.

Mrs. Charles Thady and daughter, Norma, and the Misses May and Fay Greenwalt, were shoppers in Jacksonville Saturday.

Vince Gidney, who is attending Brown's Business college in Jacksonville, spent the week end at his home here.

Russell Duncan, principal of the New Windsor high school, spent the week end at his home here. He was accompanied by a friend, Ralph Parker.

Mr. and Mrs. Lloyd Ross and children, of Jacksonville, were Sunday guests of Mr. and Mrs. Glenn Funk.

Mr. and Mrs. Bert Goacher of Jacksonville, spent Sunday with the former's parents, Mr. and Mrs. James Goacher.

Mrs. Elmer Alred of Roodhouse is visiting relatives here. A "Tom Thumb wedding" is to be staged on Tuesday, October 18, under the auspices of the Ladies' Aid of the Christian church.

Miss Ruby Dean, who is teaching in the Sinclair school this year, spent the week end at her home here. Miss Gladys Stewart, one of her pupils, accompanied her for a brief visit.

Rev. L. T. Henninger was a Springfield visitor Thursday and was a guest of friends at supper in Loomis, his former home.

Mr. and Mrs. Burt Millard and family arrived home Thursday from a two months' visit with relatives in North Dakota. They made the trip by automobile.

Mr. and Mrs. Frank Sooy spent Thursday and Friday with relatives in Virden.

Rev. and Mrs. L. Henninger expect to leave Monday for Atwater, where Mrs. Henninger will conduct a ten day's revival meeting near there.

Mr. and Mrs. Chas. Sooy left Friday for Iowa where they will visit their daughter, Mrs. John Johnson and family.

The Ladies' Aid society met Thursday afternoon at the parsonage and set Thursday No. 3rd for the date of their burgoon supper in the church basement.

**MRS. TANDY RETURNS FROM THE ASSEMBLY**  
Mrs. Myrtle Tandy has returned from Toronto where she attended the sessions of the Rebekah assembly of the United States. She reports a very enjoyable time, the people of the great city showing their guests all the politeness and attention. On her return she visited various places including Wilmington, Jackson and Lansing, Mich., where she had an enjoyable time.

In the capital of Michigan they asked her what her political belief was and she replied Democrat but they said they would show her the historic spot where the Republican party was born and they took her to the rock on which are the words:

"Here under this oak, July 5, 1854 was born the Republican party, destined in the throes of civil warfare to abolish slavery, vindicate Democracy and perpetuate the union."

The assembly will meet in Detroit next year.

**Economy**  
—It is not economy merely to get a low price.  
—You can easily get something of no real value, no wearing quality or serviceability when you dilt with low prices.  
—There are places, however, where low prices have a genuine meaning.  
—This tailoring shop is such a place.  
—Why?  
—Because we buy extensively but carefully, because we do a large business, employ competent help and are content with a fair, legitimate profit. In fact, we at all times split our profits with our trade because we are after real friends for all time.  
—A splendid way to find this out is to examine our stock of fine weaves and learn our exceptionally low prices on Fall Suits and Overcoats.  
—By the way, don't forget to say, "make me an extra pair of trousers with that suit."

## Take Care of Your Figure

OR

You Will Lose It

The relief and freedom experienced by young ladies who have parted their corsets in the dressing rooms and then danced with unrestrained freedom is liable for a while to be carried farther.

A follower of the corsetless fad, for it certainly is a fad, will notice that the figure will slowly but surely put on weight in the most undesirable places. The figure will gradually assume the appearance of the corsetless figure so conspicuous among women immigrating to this country. They haven't what we must admit, what we would term a desirable looking figure.

For those desiring a corset that will give the necessary support and figure-shaping qualities without the feeling of being corseted we recommend the

### MODART CORSETS Front Laced

Modart materials are light weight, yet have the proper strength to gently mold the figure into graceful curves, while Modart boning is extremely light and flexible, keeping its shape throughout the life of the corset.

Our expert fitters use the Modart corset in these fittings, as they have found they can produce just these effects with it, and without the slightest discomfort to the wearer.

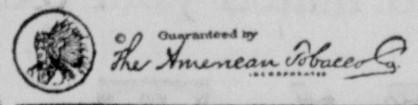

A trial fitting of the Modart will convince you of its remarkable comfort. It places you, too, in an ideal position to pass upon the beauties of its style lines.

Our corset department has been removed to the second floor and remodelled, to give every comfort and attention possible to our customers.

YOU'LL GET RID OF  
BLACKHEADS SURE

There is one simple, safe and sure  
way that never fails to get rid of  
blackheads and that is to dissolve  
them.

To do this get two ounces of  
calomite powder from any drug store  
—sprinkle a little on a hot, wet  
sponge—rub over the blackheads  
briskly—wash the parts and you  
will be surprised how the black-  
heads have disappeared. Big black-  
heads, little blackheads, no matter  
where they are, simply dissolve and  
disappear, leaving the parts without  
any mark whatever. Blackheads  
are simply a mixture of dust and  
oil and secretions from the body  
that form in the pores of the skin.  
Pinching and squeezing only cause  
irritation, make large pores, and do  
not get the blackheads out after  
they become hard. The calomite  
powder and the water simply dis-  
solve the blackheads so they wash  
right out, leaving the pores free and  
clean and in their natural condition.  
Anyone troubled with these unsightly  
blemishes should certainly try  
this simple method.

Friday was the birthday of Mrs. Howard Reynolds, Saturday that of Francis Reynolds, Monday of Homer Donald Reynolds and in a few days will occur the birthdays of Mr. and Mrs. Everett Reynolds. A cake bearing twenty-eight candles represented the age of Everett Reynolds. One candle was removed and the cake belonged to his wife. Three more disappeared and it was the property of Mrs. Howard Reynolds. Four more candles gone and the cake told the company that Francis would vote next year. Lastly, one white candle marked the first milestone in the life of little Homer Donald Reynolds.

The day was one which the members will long remember, as they were all present except Homer M. Reynolds of South Jacksonville who was unable to attend.

### LARKEY AT MEMPHIS

Marriage of Well Known Jacksonville Young Woman Solemnized in Southern City.

Friends of Mrs. Myrtle Denney Everett are receiving announce-  
ments of her wedding to Kenneth  
Larkey which occurred on  
Oct. 3, at Memphis, Tenn.

Mrs. Larkey is the only daughter of Mr. L. Denney of Sandusky street, this city. She attended the public schools here and was graduated from the Jacksonville high school with the class of 1910. Up to the time of their marriage she was the employment secretary of the Young Woman's Christian Association of Memphis and has years contract with the directors of the institution. However, she expects to stay only until her place is successfully filled.

Mr. Larkey has always lived in Memphis. At present he is the assistant business manager of the Comic Bag Co., which is, with its branches, perhaps the largest establishment of its kind in the United States. Mr. Larkey is many times called upon to adjust disputes that arise over large shipments of goods and is studying law to better understand those problems.

Although their marriage had been expected for some time, it came as a surprise to many of their friends.

There is an interesting indication of better times ahead in the fact that Pine already has applications for three or four of these lots in people who intend to build homes, the coming year.

A milk ordinance has been introduced in the city council. There is a demand for some such measure and physicians and health officers today recognize how important is the relationship between the milk supply and public health. Every time there is an epidemic suspicion is cast upon the milk supply. It will be a satisfactory condition the time comes when the city knows the facts about the milk at is dispensed to its citizens, and has the means at hand for making certain that the supply is at all times pure.

It's too bad, but at the fiftieth anniversary of the Chicago fire, a legend of the cause has been ploded. All through the years there has been the familiar story that, while Mrs. O'Leary was engaged in the homely task of milking her cow after darkness had fallen, that the cow kicked over the lantern, which set fire to the hay and later spread, causing millions of property damage.

Now witnesses have been produced to swear that Mrs. O'Leary's cow was not at all to blame. They say that five men, who indulged in a drunken revel, crawled into Mrs. O'Leary's hay loft to sleep and that sparks from their pipes caused the conflagration. So, after all, it was booze and not milk that brought about the Chicago fire, and the city has lost one of its choicest legends.

A utility news bureau says that the development of the telephone wires which would span the distance from the earth to the moon more than one hundred times. The further fact is given that there are pole lines erected which would reach nearly fifteen times around the world.

Now these statements have their interest, but what the people are most concerned about in regard to the telephone and other utilities, is price and service. The latter is by far the most important, for in the long run, it is service that counts. When service is efficient and high class, the people are usually willing to pay what it costs to give such

## RD NAMED FOR CEMETERY CONTROL

Well Known Citizens Selected for Members of Commission—Milk Ordinance Introduced—Council Accepts Plat of Pine Place.

Members of Jacksonville's new cemetery commission are W. E. Boston, Mrs. George Myers, Cole J. Rowe, Percival V. Coover and H. Russell. The members were named at the council session Monday night and confirmed by unanimous vote.

The council accepted the plat for Pine Place near South Main and Morton avenue, and gave a

first reading to an ordinance regulating the sale of milk and cream. The council met at the usual hour and the roll call by City Clerk Scott showed Aldermen Cain, Chaplin, Rhine, Loneragan, Flynn, McGinnis and Williamson present.

A communication was read from Mrs. L. C. Matthews of East College street asking that the council reimburse her for certain work done on a sewer. The letter was received and placed on file.

On recommendation of the finance committee a resolution was passed providing for the release of judgment on property described as lot 1, block 1, in Lorton & Kedzie's addition. The record in the case was presented by Hugh P. Green.

The ordinance for sewer on Edgmont street between West and South Main streets was presented but on account of some changes suggested by City Attorney Walter Bellatti it was laid over until the next meeting.

### Plat Accepted.

Joseph Pine presented a plat showing a sub-division in the south part of Jacksonville, known as Pine Place. The matter was referred to the public improvement committee, which includes Aldermen Rowe, Rhine and Loneragan, and City Attorney Bellatti, and a little later the committee reported in favor of accepting the plat. Mr. Pine several years ago purchased the old Mathews property on the east side of Main street and south of Morton avenue. The plat shows four lots on South Main street, four on East street and twelve facing the new street.

Hugh P. Green on behalf of

George T. Lukeman presented plans for the building of a gasoline service station at Mr. Lukeman's property on the corner of West State and Fayette streets. William Shields, who will have the contract if the building is erected, also made some explanation to the council. This matter was referred to the public improvement committee to report at a later meeting.

The ordinance providing for a board of managers to handle funds which may be bequeathed for Diamond Grove and Jacksonville cemeteries was given a first reading. Three managers are to be named and their sole duty will be the handling of funds.

A request from trustees of Mt. Emory church was also filed by Mr. Green, asking that an alley adjoining the property be opened up. This action would cause the removal of a small building on the Woods property. This case will be investigated.

Mayor Crabtree named members of the cemetery commission as follows: W. E. Boston to serve one year; Mrs. George Myers and Cole J. Rowe to serve two years; P. V. Coover and C. H. Russell to serve three years.

### Milk Ordinance Outlined.

An ordinance regulating the sale of milk and cream and providing for its inspection when sold or offered for sale was introduced. This ordinance, which is quite lengthy, will be discussed fully at the next meeting of the council. It provides that any person, firm or corporation selling milk shall pay a license fee of \$2 a year. The ordinance is not designed to create revenue but for the purpose of providing supervision of milk which will result in the proper quality. The health warden will be in direct charge of the milk regulation.

No milk shall be sold which contains less than 11 1/2 per cent of milk solids or more than 8 1/2 per cent of watery fluids, or less than 3 per cent of milk fats. There are other provisions relating to the quality of milk as well as cream. There are also provisions for the care of the premises where the milk is produced and care of the cows and equipment.

Mr. Bellatti, who drew the ordinance, based it upon ordinances in effect in other cities and also upon certain federal regulations.

A communication was read from E. E. Beasly, clerk of the village of South Jacksonville, asking on what terms the city will furnish that village with water, connection to be made at the corner of South Main and Michigan avenue. The letter suggested that the residents of South Jacksonville would like to have a rate made private consumers, the city of Jacksonville to read the meters and collect the bills just as is done inside the city limits.

This matter was referred to the water committee with the suggestion that a conference be held with the officials of South Jacksonville.

The council adjourned at 9:30 o'clock.

## CLUBS AND SOCIETY

Will Give Party Friday.

Miss Dorothy York, daughter of Mr. and Mrs. Clarence York, of 348 Sandusky street, has issued invitations for a party to be given at Colonial Inn, Friday afternoon, October 14.

Mrs. George T. Wiswell has issued invitations to the marriage of her daughter, Lura, to Mr. Loren Stackett of Morris, Illinois. The wedding will be solemnized on Wednesday, October twenty-sixth at the Wiswell home, 1329 West College avenue.

### Gave Dinner For Guests.

Mr. and Mrs. W. J. Edelbrock and daughter, Lela, gave a dinner Sunday at their home on Pine street. The event was in honor of Miss Goldie Norris of Farley, and John Hiser of White, Kan. The guest list included Mr. and Mrs. H. A. Edelbrock and son, Elbert, of city, Mr. and Mrs. Henry Hemminghaus, of Chicago.

### Party is Given at Ellis Home.

Mr. and Mrs. Arthur Ellis entertained a number of friends Monday evening at their home on East College street. The event was in honor of Miss Marie Daniels and Loren Alexander, whose marriage is to be solemnized in the next few weeks. The evening was very pleasantly spent with games and music and dainty refreshments were served.

### Illinois College Y. W. C. A. Had Weiner Roast.

The Y. W. C. A. of Illinois College had a weiner roast at Lake Mauvalsterre for all the girls of the college last evening. About thirty-five enjoyed the affair which was pleasantly spent playing games and contests. Several members of the faculty were present as chaperones, including Miss Ogden, Miss Smith, Mrs. Scott and Mrs. Raetzman.

### Royal Neighbors Fall Social.

Star camp, No. 171, Royal Neighbors of America tonight will give at their hall the first of a series of socials. The committee in charge has arranged an interesting program of music and readings. Following this refreshments will be served and dancing will be in order for the remainder of the evening. These socials are for the members and their friends.

### Loyal Woman's Class Met Monday Evening.

The Loyal Women's Class of Central Christian church met in regular session yesterday evening at six o'clock. The members first enjoyed a luncheon which was followed by an important business session.

After the routine business had been disposed of the election of officers for the coming year took place. The following ladies were elected to fill the positions: President, Mrs. T. E. Ray; Vice president, Mrs. P. G. Stein; Secretary, Mrs. Leslie Harvey; Assistant Secretary, Mrs. B. C. Lair; Treasurer, Mrs. Frank Ratchack; and Reporter, Mrs. W. G. Hellenhal.

### Mrs. Buffe Hostess to Monday Club.

The Monday Conversation club met yesterday afternoon at the home of Mrs. Buffe on West Lafayette avenue. The program of the day had as its subject "American Birds" and was in charge of Mrs. R. Shoemaker. The members answered roll call with interesting bird stories. An interesting discussion on our different feathered friends was given during the afternoon. Mrs. Shoemaker was assisted in the program by Mrs. Earl Spink, Mrs. H. A. Perrin, Mrs. G. M. Mason, Miss Alice Phillips and Miss Jeanetta Powell. The hostess passed attractive refreshments after the program was completed.

### I. W. C. Enjoys Annual Picnic.

The students and faculty members of Illinois Woman's college enjoyed the annual picnic Monday noon on the college campus. Once a year all the students are guests of the college at a picnic dinner. It had been planned yesterday to go to Nichols park but the weather conditions were not favorable so the event was held at the college. A fine dinner menu was served and the girls toasted marshmallows over big fires kindled on the back campus.

### Birthdays Celebrated at Reynolds Home.

Mr. and Mrs. Ralph Reynolds entertained at their home south of the city. The event was in honor of the birthdays of several members of the family. Friday was the birthday of Mrs. Howard Reynolds, Saturday that of Francis Reynolds, Monday of Homer Donald Reynolds and in a few days will occur the birthdays of Mr. and Mrs. Everett Reynolds. A cake bearing twenty-eight candles represented the age of Everett Reynolds. One candle was removed and the cake belonged to his wife. Three more disappeared and it was the property of Mrs. Howard Reynolds. Four more candles were removed and the cake belonged to the company that Francis would vote next year. Lastly, one white candle marked the first milestone in the life of little Homer Donald Reynolds.

The day was one which the members will long remember, as they were all present except Homer M. Reynolds of South Jacksonville who was in the afternoon.

was with the hope that they may be privileged to gather next year in a similar way to celebrate the birthday anniversaries of so many of their number.

### Miss Mary Clancy Gives Dinner Sunday Evening.

A pre-nuptial dinner for Miss Edna Ryan of Alexander and Gene Maloney, of South Bend, Ind., who are to be married this evening at six o'clock, was given Sunday evening by Miss Mary Clancy, who will be the bride-maid. The affair was at the Clancy home on South Clay avenue.

A gift of a handsome water set was given the bride-to-be at the conclusion of the four-course dinner. The guests present besides the bride couple were Miss Josephine Gebert, Miss Katherine Gebert, Eugene Murphy, Lee Clancy and Clarence Maloney.

### Delphin Society Met Monday.

The Delphin Society met yesterday afternoon at the Public Library with the president, Mrs. Roy Scott presiding. The topics were Media, Persia and Phoenicia. Mrs. Tindall had The Medes and the Rise of Persia. Mrs. A. D. Dollear had "Cyrus, the Great." Miss Violet Davis took Persian Religion. The geography of Phoenicia was given by Mrs. John Cherry, the cities and colonies were discussed by Mrs. John Rose. The Industries of Phoenicia, by Mrs. Chipchase and the last division, the religion, by Mrs. James Strawn. The program then became a general discussion of subjects.

### Mrs. E. G. Caldwell Entertains for Guest.

Mrs. E. G. Caldwell entertained about forty of the music lovers of the city at her residence yesterday evening in honor of Mr. MacMillan Paton, basso, late of the Boston Opera company. Mr. Paton, who has been the guest of Frank Caldwell over the weekend, is a singer of note.

The delightful evening was informally spent listening to an impromptu musical program.

The program, because of Mr. Paton's short visit, was not of lengthy preparation, but it was a remarkable and very enjoyable demonstration of real talent and ability.

### The Program.

Mr. MacMillan Paton rendered the following numbers: Because I Love You Dear . . . . . Hawley Ninon . . . . . Toast Hindu Chant . . . . . Baumberg I Sit Within the Cellar Here . . . . . Fisher

His accompaniments were played by Mrs. Erwin Escher and Willard Wesner.

The next number, a violin solo by Miss Eloise Capps accompanied by Mrs. Escher.

The Sea Dirge . . . . . Anne Jackson This was composed by Miss Jackson, of this city. Miss Jackson is composing some compositions that are among the very best.

The program was concluded by a group of songs, sung by Miss Jackson. These "Bird Songs" are Miss Jackson's own compositions.

Mr. Paton was very much impressed with Miss Jackson's work and expects to arrange with her for the use of some of them in the concert tour that he is to engage in soon.

The guests at this affair enjoyed a concert of real worth and all spent a most enjoyable evening. Those present included members of all the musical faculties of the various institutions of the city besides a large number of people prominent in the musical activities of this community.

## MRS. EVERETT WEDS MR. LARKEY AT MEMPHIS

Marriage of Well Known Jacksonville Young Woman Solemnized in Southern City.

Friends of Mrs. Myrtle Denney Everett are receiving announcements of her wedding to Kenneth Clayton Larkey which occurred on Oct. 8, at Memphis, Tenn.

Mrs. Larkey is the only daughter of M. L. Denney of Sandusky street, this city. She attended the public schools here and was graduated from the Jacksonville high school with the class of 1910. Up to the time of their marriage she was the employment secretary of the Young Woman's Christian Association of Memphis and has a years contract with the directors of the institution. However, she expects to stay only until her place is successfully filled.

Mr. Larkey has always lived in Memphis. At present he is the assistant business manager of the Bemis Bag Co., which is, with its branches, perhaps the largest establishment of its kind in the United States. Mr. Larkey is many times called upon to adjust disputes that arise over large shipments of goods and is studying law to better understand those problems.

Although their marriage had been expected for some time, it came as a surprise to many of their friends. The groom had just begun a vacation and this fact brought about the early wedding as he wished to take his bride with him on a southern trip he had planned. Invitations were given a few of their friends including the Y. W. C. A. staff and the members of the office force of the Bemis Co., but when 4 o'clock arrived the Evergreen Presbyterian church was full of young people to wish them well in their new venture.

At 4:45 they left for New Orleans, La., and Mr. Denney knew nothing more than that the wedding had taken place until he received a letter from his daughter addressed from the Hotel Grandwald at New Orleans.

The newly weds are visiting friends and a branch factory of the Bemis Co. in the southern city. Before returning, they expect to stop at Jackson, Miss., and other points of interest.

Mr. Larkey owns a lot on Speedway, one of the beautiful streets of Memphis. They intend to build there but for the present their home will be Normal, Tenn.

John Meyers of Winchester was one of the arrivals in the city yesterday.

William Coons of New Berlin was a traveler to the city yesterday.

### MORTICIANS HELD ANNUAL MEETING

Prominent Men Addressed Convention in Des Moines—An Exclusive Organization.

W. W. Gillham has just returned from Des Moines, Iowa, where he attended the annual convention of the National Selected Morticians of which he is a member.

The convention was the largest and most successful in the entire history of the organization. The speakers, in most instances, were national figures, attracting members from the most remote sections of the country to Des Moines.

The National Selected Morticians bears resemblance to Rotary organization, with this major difference: that only one member in a given locality is privileged to join and that by invitation. Further, a better knowledge of its exclusiveness may be gained from the fact that its membership is limited to 200 in a field of approximately 30,000 practitioners, scattered all over the United States.

An idea may be gained of how high the ideals of a modern, ethical trade organization may be set, from the "Aims" of the organization developed by President H. G. Samson in his opening address. He said in part:

We aim eventually to have a high-minded, progressive Mortician in every center of population on the continent; to lead our members to the highest moral and ethical standards; to recognize character and ability; to disregard religious, creed and politics; to encourage any government rules and regulations which will be just to our members and of benefit to the public; to advise quickly of any discoveries or inventions in business or science which may be of benefit to them.

Further, we aim that all funeral directors and their clients shall be treated with due regard for the Golden Rule; that our members shall respect and demand respect, under all circumstances, for the dead human body; that the deceased who has been needy or destitute shall have decent burial without the financial impoverishment of their relatives or friends; that those in moderate circumstances shall have substantial material and efficient service at a fair price; that the wealthy shall have furnishings and attention in due keeping with their surroundings and requirements in life; that in time of public calamity our members shall give unstintingly of material and service without a thought of financial gain.

"These aims and more are our goal which we must ever hold before us; our Pike's Peak which we must strive to reach, the West which we must win, as Roosevelt said, 'by individual effort and co-operative endeavor.'"

### FOR COMMISSIONER

As the Democratic candidate for county commissioner, I will appreciate your vote at the polls. If elected I will seek to do my duty at all times.

Robert S. Hamilton.

### LONG TIME RESIDENT OF FRANKLIN DIES

Mrs. Henry Wyatt Passed Away Sunday Afternoon After Long Illness—Funeral Services This Afternoon.

Franklin, Oct. 10.—Mrs. Henry Wyatt passed away at 12:10 o'clock Sunday afternoon at her home here. The deceased had been ill for a number of months and her death was therefore not unexpected.

Mrs. Wyatt was born near Vinton sixty-seven years ago and prior to her marriage was Miss Nellie Lambert. Her marriage to Henry Wyatt occurred forty-one years ago and the family home has been in the Franklin community since that time.

Surviving are the husband, two children, Mrs. Austin Seymour of Franklin and George Wyatt of Springfield. There are also several grandchildren and one great grandchild. Mrs. Wyatt also leaves two sisters, both living in New York, and one brother, Charles Lambert, residing near Bement, Ill.

In early life Mrs. Wyatt united with the Christian church and in all the intervening years she lived a consistent Christian life. The deceased was a woman of fine character and was widely known and loved in the community.

Funeral services will be held from the residence at 2:30 o'clock Tuesday afternoon, and interment will be made in the Franklin cemetery.

### SCHOOL TO OBSERVE FIRE PREVENTION DAY

The students of the high school will observe Fire Prevention Day this morning of the regular semi-weekly assembly exercises.

The program to be given has been prepared by the students of Miss Russell's English classes and promises to be of great interest as well as educational.

The governor's proclamation will be read by Clarence Jewsbury. Miss Vivian Pires will talk on the subject of the causes of fire and will give figures showing the great losses incurred in Illinois during the past year due to ravages of fire. Miss Elizabeth Scott will have the subject of "The Effect of Fire on Society." Miss Frances Griswold will talk on the prevention of fires and George Wetzel will give a talk on "What might be done with the money that is lost to society every year thru fires."

### ALEXANDER

Harry Ruble is now a patient at Our Savior's hospital in Jacksonville.

Mr. and Mrs. Joseph Ryman of Arcadia visited friends in Alexander and New Berlin Sunday.

Mr. Francis and Mrs. Hamm of Concord visited Sunday at the home of Mr. and Mrs. C. A. Moss in Alexander.

Mrs. Milton Ruble and daughter Josephine spent Monday in Jacksonville.

Mrs. Henry Ruble will give a miscellaneous show Tuesday afternoon for Mrs. Harold Strawn. The Strawn family lost their home by fire recently.

Mrs. Bess Hadden, cashier of the Farrell State bank, has returned from a two weeks' vacation spent in St. Louis.

### COMMUNITY PROBLEMS TO BE DISCUSSED

Conference at Urbana Will Attract Delegates from All Parts of State—Mayor Crabtree on Program.

The sixth annual better community conference will open at Urbana Thursday afternoon, Oct. 13, and the sessions will continue thru Sunday night, Oct. 15. The list of general subjects to be considered includes art extension, business, religion, citizenship, junior workers, rural and small communities, home improvement, public health and music. With subjects of such wide range for consideration it is easy to understand that the conference will have a state wide interest.

A study of the program indicates that a great many people prominent in public life and work from all parts of the state will be present and take part in the program.

At 4 o'clock in the afternoon of Thursday Percy MacKaye, a dramatist, will speak before the department of English, university, and delegates to the convention have the opportunity of attending. A dinner will be served at 6 o'clock and the first formal session of the conference will be held at 8:15 in the university auditorium.

Friday morning at the business section one of the speakers will be John A. Cathcart, president of the Illinois Bankers' Association, who will have as his theme, "The Banker and His Community." Another speaker will be Harvey T. Hill, secretary Illinois Chamber of Commerce, whose subject will be "The Illinois Chamber of Commerce and the Community Life of the State."

### CITIZENSHIP SECTION

In the citizenship section State Senator Henry M. Dunlap of Savoy will preside. Howard Leonard, president Illinois agricultural Association, will tell of the "Debt of the Illinois Agricultural Association to Community Life." B. M. Barringer of Emden will have as his theme "How We Got Our Community House and the Use We Are Making of It."

Mayor E. E. Crabtree of this city will have as his subject, "Serving One's Own City," and F. Kohl, vice president of the Illinois Chamber of Commerce will talk about "The Community Obligation of the Business Man."

Saturday morning at the section under the direction of the art extension committee Lorado Taft will preside. A summary of the policies and plans of the committee will be given by Charles A. Bennett, who is the executive secretary.

In the music section Miss Katherine Dickinson, who is the head of the Alton Music School, will talk about "Music in the Life of the Community." At the afternoon session Saturday, held in Smith Memorial hall, one of the interesting themes will be "The Movie and the Community," presented by Mrs. Charles E. Merriam, who is the chairman of the better films committee of the Illinois Parent-Teachers' Association.

The closing session. At the final session Francis G. Blair, superintendent of public instruction, will preside and Raymond Robins will present the very important theme of "World Disarmament or World Krutepny—Which?"

At the Sunday afternoon session interest will attach to an address on "The Press and the Community" by A. L. Bowen of the Illinois State Journal. Other addresses at this session will be "The Spirit of Good Will," Miss Zona Gale, of Portage, Wis., and "Making the Farm Home Attractive," by Mrs. Medill McCormick. At the night session which will be the final one of the conference, Miss Gale will speak again, with "Neighborliness as her theme and Dean Eugene Davenport, vice president of the state university, will talk about "The Great Commandment."

### See TOM MOORE in "BEATING THE GAME," at Grand tonight and tomorrow.

### LOCAL VETERANS GO TO DECATUR

Twenty-Five Members of Jacksonville Post Attending Legion Convention and Take Part in Parade.

Twenty-five Jacksonville veterans are attending the state American Legion convention in Decatur, which started yesterday and will continue thru today. The local delegation took a drum corps with them and marched in the big parade that was staged yesterday afternoon.

The vets left yesterday morning at an early hour in a big truck and traveled overland to Springfield and took the interurban from that point to Decatur.

Business to be brought before the gathering today includes: Consideration of unemployment situation to help jobless veterans. Planning for campaign for soldier bonus, on which Illinois will vote a year hence.

Selection of state headquarters (Chicago, Bloomington and Springfield are contesting).

Election of officers, which may lead to some warm contests.

### EARL HULL INJURED IN AUTO ACCIDENT

Local Resident Hurt When Car Turns Turtle on State Road Sunday Night—Others in Car Escape with Slight Bruises and Cuts.

Earl Hull, of Allen avenue, was injured Sunday evening when he was pinned underneath a Ford driven by Frank Hagen. The accident occurred about one mile this side of the county line on the state road.

Mr. and Mrs. Hull and three children were returning from Decatur with Mr. and Mrs. Frank Hagen in the latter's car. It is very fortunate that Mr. Hull was the only one injured when the car turned over.

He received a bad cut just below the knee of the right leg. The rest escaped with a few bruises and scratches. The injured man was taken to Our Savior's hospital where it required several stitches to close the injury.

Mr. Hagen who was driving the car, turned sharply to avoid a mudhole and struck a rut. A wheel snapped and the car twisted sideways and turned over. If the machine had been going at a faster rate of speed it would probably have resulted in a tragedy.

### REV. LANGTON HELPS WOMAN IN TROUBLE

A short time since Rev. J. F. Langton, the worthy rector of Trinity Episcopal church, received a letter from a woman in Texas who was in deep trouble. She said all her relatives except two grandchildren were dead and an unprincipled distant relative was trying to get the estate to which the children were entitled away from them setting up a plea that the grandmother had never been duly married to the man she called her husband and since dead.

She said in her letter that 66 years before she had been married by the rector of the Trinity Episcopal church in Jacksonville and wondered if a record of the ceremony could be found.

It is a duty of each rector of an Episcopal church or in the absence of a rector that of the senior warden of the vestry to keep three records of families; one of confirmations and one of baptisms or christenings and away in the archives of the church Mr. Langton found the desired information.

That gave him the date and at the court house, after much search, the record was found. When the case came up for trial the documents were produced. The presiding judge said he was senior warden of the vestry of the Episcopal church in his city and knew the value of such testimony and mentioned also the additional evidence and the defense, being unprepared for such a turn of affairs had the disgrace of seeing the case dismissed.

## WHITE HALL MAN IN AUTOMOBILE ACCIDENT

Louis Lowenstein Rendered Unconscious as Result of Auto Accident on Return From Springfield—Other White Hall News Notes.

White Hall, Oct. 9.—Louis Lowenstein, one of White Hall's leading and widely known citizens, has recovered from the effects of the overturning of his auto that rendered him unconscious for several hours. He was returning from Springfield in company with P. D. Vose, W. G. Gibbs and J. A. Young. Encountering a sudden turn in the road as they were making about 25 miles per hour, the car failed to remain upright when the right wheel struck a low place, and turned over on its side. The car being a closed Holmes make probably saved it from going on over and crushing the occupants, and the only ill personal effects was the rendering of Mr. Lowenstein in an unconscious condition until after the car had been righted and driven home by Mr. Gibbs, a resident of Winchester, altho Mr. Lowenstein says he recollects being in a garage at Jacksonville. The car was damaged about \$250. The accident occurred about eight miles east of Jacksonville at about dusk, when the lights were not showing to best advantage.

Charles Myers, the White Hall White Leghorn fancier, retains supremacy in his class by being awarded every possible first and second prize at the Carrollton fair against twenty-two exhibitors, doing the job with but one pen.

Two new girls arrived this week to perpetuate White Hall's enviable reputation as a center of beautiful and refined ladies. The newcomers are at the home of

Harry Marks and R. G. Smith. Jose Harrison's six-months-old son won Governor Small's silver cup at the better babies conference at the Greene county fair, and so the male sex of this community bids fair to retain its place for physical vigor and fine mental characteristics.

Isaac Milne is here from Chickasha, Okla., on his first visit in nineteen years.

Biddy Scott is back in White Hall, arriving from Monmouth this week and is assisting M. Egan in reconstructing kilns at the drain tile plant. He has not been in White Hall a great many years.

T. M. English and E. L. Wendell drove down to Bluffdale this week and visited William Russell, the sage and collector of literary relics. Mr. Wendell returned by way of Carrollton to obtain additional data for his general history of White Hall on which he is now at work.

Lieut. Charles H. Ayers, Company A, 61st Illinois Infantry, will be best remembered among the old soldiers as a former prominent citizen of White Hall. He is dead, but his widow is still living at Lakeman, Mo., according to a recent letter from her daughter, Mrs. A. F. Huggins, of Shelby, Mo.

**Wedding Is Surprise.**

Charles A. Armstrong and Mrs. Eldora Horney were married by Rev. Elijah Anthony at the latter's home in the vicinity of the Tabernacle Baptist church, and following a visit to the Carrollton fair and other parts of the county have located in the south part of the city. The wedding, which occurred Wednesday evening, has just become generally known, and there is considerable interest in the event, the bride being a daughter of William Hudson and consequently a member of a well known and substantial White Hall family, her brothers being Samuel, Clayton, Frank and Henry Hudson, the former being in business at Arkansas City, Kansas, and the latter at Manchester. Her previous husband was killed in a mine accident at Girard about two years ago.

Mr. Armstrong is conducting a soft drink parlor on Main street, and is doing a good business and faring well for one who almost paid the supreme sacrifice in the World War, when a piece of shrapnel tore thru his left hip, but the application of advanced surgery restored the use of the limb after months spent in military hospitals. He was a member of Company C, 308th U. S. Infantry, 77th Division. After he was able to come home he was on crutches for some time. He is a man of genial disposition that has not offered on record of criticism during his awful war experiences with the death-defying 77th Division.

You Should Be the Same

A LARGE number of women's ailments are not surgical ones. Serious displacements or radical changes have not yet taken place.

A tiny part in a fine clock may become loose and cause the clock to gain or lose. If not attended to in time, the part may fall from its place and cause serious trouble. So it is with women's ailments, they start from simple causes; but if allowed to continue, produce serious conditions.

When the warning symptoms are first noted, take Lydia E. Pinkham's Vegetable Compound to relieve the present trouble—some ailment, and to prevent the development of serious trouble.

North Troy, N. Y.—"When I was a young girl I had a severe female trouble. Mother gave me Lydia E. Pinkham's Vegetable Compound and after taking several bottles I was strong and well. When my daughter got married she was feeling miserable and I recommended your medicine. She is greatly improved in health and has a beautiful baby boy four months old. So you see this letter comes from the third generation and you may use it as you wish."—Mrs. R. M. GREENAWAY, 557 4th Ave., North Troy, N. Y.

Hutchinson, Kan.—"I was about 13 years old when I developed a female weakness. My mother took me to a doctor and I doctored for several months. I was too sick to do anything, was as thin as could be, and my complexion was yellow. Mother had used Lydia E. Pinkham's Vegetable Compound and it had helped her so much that she got some for me and before I had finished the second bottle I was feeling fine and have been ever since."—Mrs. J. A. ### INDEES LOSE TO BROWNS 8 TO 2

Colored Team Takes Second Game of Series—Small Crowd Sees Game, Which Is Called in Seventh Inning.

The Browns won an easy victory from the Indies at South Side park Sunday afternoon, the final score being 8 to 2 in their favor. The game was called by Umpire Ely at the end of the seventh, as it was getting so dark the players were having trouble following the ball.

So far as the spectators were concerned it could have been called earlier, as it was devoid of features and the weather was

so cold that it was uncomfortable after the sun began to get low.

The chief reason for the Indies defeat was inability to hit Cain when they needed hits. In the first inning the Indies got three men on base with nobody out. However, they were unable to get a run across.

The Browns hit Hamm hard, especially in the sixth, when he was driven from the mound. Devlin took his place and with two on, Weir hit the first ball he pitched for a single, scoring two runs. The Browns had previously put over one run in the second and two in the fifth, which gave a comfortable lead the way Cain was going. However, they added another without the aid of a hit in the seventh.

The Indies made their two runs in the second, when a little and playing, coupled with Dickason's single, put them across. The score:

### LITERBERRY BOY COMMITS SUICIDE

Floyd Martin Shoots Himself Thru Head—Left Note Saying Everything Looked Dark for Him.

Literberry was the scene of a tragedy Sunday afternoon about 2 o'clock when Floyd Martin, son of Mr. and Mrs. J. W. Martin ended his own life by shooting. His lifeless body was found on the main highway just west of his home a mile east of Literberry.

Beside the body relatives found a letter which the young man had written saying that no one but himself was to blame for the tragedy, but everything seemed dark for him and he could not see the bright side of life.

Attended Church Services

Young Martin attended Sunday school in Literberry in the morning and went back to his home following the services. His parents were going to Alexander to take dinner with friends and asked Floyd to accompany them. He refused however, saying he preferred to remain at home.

Early in the afternoon motorists passing the Martin home discovered the body lying beside the road. There was a 22 calibre rifle bullet wound in the temple.

The young man who was 25 years of age, was the youngest son of Mr. and Mrs. John W. Martin, prominent members of the Literberry community. For the last few years Mr. Martin had been successfully engaged in farming jointly with his father. He leaves besides his parents, one sister, Mae, at home, and two brothers, Clyde and Harry Martin of Sinclair.

Verdict of Jury

Coroner C. A. Rose went to Literberry Sunday afternoon and conducted an inquest. The findings of the jury were that Mr. Martin was not responsible for his deed, having been in ill health for some time. It was brought out at the inquest that young Martin had not been in good health since being overcome by the heat last summer.

Funeral services will be held at 2 o'clock Tuesday afternoon at the Martin home near Literberry. Reverend French of Virginia Christian church, of which Mr. Martin was a member, will officiate. Burial will be in Diamond Grove cemetery.

### WHITE SOX TAKE SERIES FROM CUBS

Win Five Straight Games by Hitting Cheeves Hard, Forcing His Retirement—Players' Share for the Series was \$36,382.

CHICAGO, Oct. 10.—The Chicago White Sox retained their title as city champions today by defeating the Chicago Cubs 9 to 5. It was the fifth consecutive victory for the American Leaguers against their National League opponents who have failed to win a game.

The American Leaguers went on a batting rampage and pounded Cheeves hard in spots and forced his retirement in the fifth inning with two men on the bases. York attempted to stop the attack but Sheely drove one of his fast ones into the left field bleachers, sending two men home ahead of him and practically clinching the game.

"Lefty" Russell pitched a steady game for the White Sox but weakened and was replaced by Dick Kerr with the bases filled and none out.

Kerr pitched effectively, and altho the Cubs scored three runs in that frame, they never got dangerous thereafter.

The attendance 7,172; gross receipts \$7,238; players pool \$3,691.30; clubs' share \$2,460.92; commissioners share \$1,085.70.

The total attendance for the five games was 76,788 and the gross receipts \$71,338.18; of this amount, in round figures, the commissioners' share was \$10,710. The amount to be divided equally between the two clubs was \$25,254. The players' pool amounted to \$36,382. The score:

### LITERBERRY AID SOCIETY HAD MEETING

Mrs. Dunlap Hostess at Recent Meeting of Society—Other Literberry News Notes of Interest

Literberry, Oct. 10.—The Baptist Aid society met with Mrs. Dunlap at her home "Dunlap Hill" on Friday. After the opening service a talk was given by

the president in regard to the "Ship of Fellowship," that is to be sent to Poland from the Baptist people of this district. All Literberry people are invited to give some useful article of clothing, as much or as many garments as they can, and all must be ready by the last of the week, some about the 15th of this month.

For any further directions see the two presidents, Mrs. John Guy and Mrs. J. E. Underbrink, also Mrs. J. A. Liter.

The Aid will hold a family meeting the last of October, place not yet decided on, but will be announced later; this meeting will be for members of the Baptist Aid and their families, the members to do the entertaining.

Mrs. Dunlap prepared a little program which included everyone present; this was quite interesting and was carried out by all except one person, who refused to do the part assigned to her, she paying her fine instead. A good offering was taken; the hostess served fruit cake, ice cream, bananas and fine coffee with good cream and sugar. Willard Young treated eight of the Aid members to a ride on a hay wagon, out to the Dunlap farm and back home again, to be at the meeting on Friday. Hay bales were so placed and covered with robes as to make a very comfortable place to ride. This was very kind in Mr. Young, for the roads were too muddy for autos; he received a rising vote of thanks from the ladies who were favored.

Earl Rexroat of "The Maples" had quite an experience catching chickens Thursday night. He climbed a persimmon tree where the chickens were roosting and found something beside chickens in the highest limbs, he came down, loaded up with a lantern and a gun, climbed that persimmon tree a second time and shot an opossum. The third time he climbed the tree he brought down some nice chickens for his wife to cook. Mrs. Rexroat knew something was taking her chickens, but did not think of such a varmint as was found.

The Literberry Baptist church was favored on Sunday by hearing a good sermon from Rev. Howells of Jacksonville. Subject of this sermon taken from Romans 5-1-7.

### Y. W. C. A. FOUNDER BORN 100 YEARS AGO

George Williams' First Home Was on Farm Near Ashway, In England.

One hundred years ago today the founder of the Young Men's Christian Association was born on the Ashway farm near England. His name was George Williams who in his later years because of his great humanitarian service was knighted by Queen Elizabeth and is commonly known now as Sir George Williams. At the age of 17 he left the farm to clerk in a drapery store in London.

"The farm," says his biographer, "lies at the end of everything, lies on the confines of the country. Its isolation even today, is complete. It is the last farmstead before you reach a pathless moorland, and the loneliness of that land, especially in winter, when the glory of gorse and heather and fern has faded and the hills are shrouded in mist, is almost intolerable."

"Round the family board" (in front of the great fireplace) "there was no small discussion of George's future. After leaving school at the age of thirteen he took up the work of the farm in earnest but the brothers were not altogether satisfied with the way he was shaping. Had he, after all, the making of a farmer in him? For some reason he did not take kindly to the land. It actually seemed as if the love of the chase had not been bred in his bones. The desire for the larger life was beginning to stir his fancy and dominate his dreams. And then, as he would tell in after years, a load of hay and a rut in the road settled the question."

About this time he attended a revival meeting and was converted. The immoral condition of his clerk associates with whom he lived in a room above the store hurt his finer nature. After enduring the abuses of the other thoughtless boys for a little while he succeeded in persuading some of them to join him in prayer and Bible study. He was but a lad of 23 years when he assisted in organizing the first Young Men's Christian Association. He remained in the mercantile business throughout his entire life but was never too busy to give time, thought and funds to this great cause which has grown to such magnitude and influence throughout the world for the "extension of His Kingdom among Young Men."

With the absence of a properly equipped Young Men's Christian Association, Jacksonville, is failing to give its young men that virile, moral and religious training which means so much to American civility. Here is the opportunity of a life time for some one with means and vision to make the offer which will challenge this community to do its duty by its young men.

**THE FARMER'S EXPENDITURE**

(From Farm Implement News.)

If it were possible to ascertain how much money was spent by United States farmers for farm machines last year we think a comparison of that amount with the sum paid for certain other things not so useful or necessary would reveal some highly interesting facts. In the absence of actual figures one may make a fairly good estimate from the manufacturers' sales figures appearing in the implement production statistics recently made public by the U. S. department of agriculture.

These statistics, obtained from the records of 99 per cent of the manufacturers, showed sales of \$471,442,000 to dealers in the domestic field. This amount included sales of tractors and horse-drawn vehicles, such as buggies and farm wagons, as well as implements. We have no way of ascertaining what percentage of these goods were still in dealers' hands at the end of the 1920 trade year is it possible to state with accuracy how much more the farmers paid the dealers than the value of the dealers' carry over at 1920 prices was equal to the amount of their margin on 1920 sales. If this were true, the actual expenditure of farmers for implements was about the same as the figures given for sales to dealers, viz., \$471,000,000.

Automobile men say that farmers spent about \$500,000,000 for new cars in 1920, and the official statistics show that more than 3,000,000 automobiles were owned and operated by farmers in that year. The farmers' outlay for new cars brought in 1920 is thus shown to be in excess of the highest estimate of his purchase of farm machines, but the most significant fact is revealed by a consideration of the amount paid for upkeep on these more than 3,000,000 cars. You who own cars and know what the upkeep was in 1920 will find it quite interesting to figure how much the farmers probably paid to keep their cars going last year. If you find that the upkeep was not in excess of \$350 per car you will see that the total was more than a billion dollars; but if you figure the upkeep properly, including the depreciation along with amounts actually paid out for gas, oil, tire renewals, insurance, repairs, license fees, etc., you probably will find it in excess of \$450, in which case the figures will tell you that the farmers spent considerably more than the value of last year's wheat crop for car upkeep alone.

We are not contending that

farmers should not buy automobiles. They should. They are entitled to the pleasures motor cars afford, and we are sure these cars are useful as well as pleasure-giving. But the utility of the automobile is nothing compared with the utility of modern farm machinery. Profitable agriculture has been and can be carried on without automobiles; it cannot be carried on without modern farm machines. The point is that men who are paying so large a sum for the purchase and upkeep of automobiles reveal amazing inconsistency when they growl about the amount necessary to be expended for farm equipment. Compared with automobile expenditure, the farmers' purchases of farm equipment and repairs are in the piker class, yet their complaints all lie against implement costs. Apparently they pay the big automobile bill without a murmur.

Moreover, farmers have paid and are paying top prices for

luxuries, without batting an eye. We submit that this shows an astonishing lack of good judgment. But it is only one case in a million.

For the farmer who needs new machines to carry on his work properly, implement prices never have been and never will be too dear for him to pay. Next season they will not be so low in relation to the purchasing power of farm products as they were during the high pressure war times, but they will be substantially lower than they have been this year, and they will not be so high that any farmer can consistently defer the purchase of a machine he needs.

## The Magic That Makes a House a Home

—that magic is MUSIC.

When the eyes of the little ones sparkle and they laugh with glee—when the toes of the older ones begin to waver—when Mother's face radiates happiness itself as she listens to the songs of McCormack and Gluck—when Dad is lost in reverie as those wonderful strains of Violin come to him from Kreisler and Heifetz—Isn't that, in truth, the Magic that makes a House a HOME?

The Victrola—the Master Magician—can make your house a HOME. We'll be glad to prove it. You can buy one for as little as \$25, or as much as \$350—on monthly payments surprisingly small.
